

Thank you note #6

Thank you for all the smiles

I Know I cry a lot. Very emotional and little stupid me, cries for silliest reason. It's by default, I cannot control that.

Who knows this better than you??? Being an over thinker and very sensitive person, little change in your behaviour can make me cry. Aur to aur zyada khush hone pe bhi aakhe bhar ati hai !

But... Now I have you, you can make me smile in seconds 😊 you have this magic, you see me crying you hug me or kiss me or do little "Lad" and I am smiling again 😊

Thank you for all the smiles you put on my face 😊

Even right now I am smiling thinking of you even if I want to cry because I am bored and I miss you so much 😞

Thank you baby for taking care of my smile 😊
