

Thank you note #11

Thank you for being best Hugger !

Baby I just love when you hug me tight. You know I need your hug like thousands time a day :P

I am so happy, need your hug to share happiness with you,

I am sad, Need your hug to cry.

I am stressed, Need your hug to calm down.

I over think, Need your hug to believe okay, everything is fine.

You got angry, Need your hug to hide inside you.

I got angry, Need tour hug to cry and let my anger out

You don't talk, Need your hug to let you know how much I need you

Miss my family, Need your hug to feel I am not alone

Feeling bored, Need your hug to cuddle ☺

At night, need your hug to sleep peacefully knowing you are here with me ☺

In short, your hug is one solution for all my problems...

So keep hugging me ☺ And thank you so much for being my personal best hugger ☺
