

**Thank you note #3**

**Thank you for always being by my side😊**

**So , this thank you note is for not leaving me alone in any situation.**

**When I decided to go to Korea just after we shifted to new home , you were mad at me and you were hurt and not ready to even talk to me , but still you did everything you can just to come to Korea so that we can stay together.**

**You know it was the time when I have massed up everything again , and was about to lose all hopes in US , was crying for almost entire ni8 thinking I have lost you.. and... and... was going crazy , hurting myself for ruining everything...**

**.....Nd just than you showed up like sunshine. You came to Korea and we made that 3 months most amazing time of our life 😊 It was like dream come true... it was like just you and me , away from all chaos...!😊**

**Thank you so much for not letting me give up on us and be by my side always 😊**
